- This product should not be used as a substitute for a varied diet (contains all of the food groups such as rice and its alternatives; meat, fish, poultry, eggs, milk or legumes; vegetables; fruits; fats and oils; sugars and beverages).

**Recommended oral use for children  
1 to 3 years old:**

5 drops once a day, or as  
recommended by a doctor.

#### WHAT IS THIS PRODUCT USED FOR?

- Enhances intestinal ecology
- Improves digestion
- Helps enhance natural resistance to intestinal infections

#### SHAKE WELL BEFORE USE

#### ADDITIONAL STORAGE

#### INSTRUCTIONS FOR DROPS:

Keep the container closed when not in use. Opened bottles should be consumed within 3 months.

A white desiccant device is included inside the bottle to prolong the product's shelf-life.

The desiccant is approved to be in direct contact with food and **should not be consumed.**

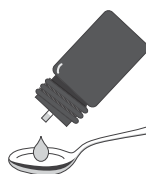

**Store in a dry place at temperatures not exceeding 25°C.**

**Keep the product out of sight and reach of children.**

#### Dosing

**Shake well for 10 seconds** before each use to mix the bacteria culture with the oil.

To dispense the drops tilt the bottle and give by spoon.

**5x** 

Use 5 drops daily.

Do not add to hot food, hot drinks or give directly from the bottle into the mouth as this may reduce the quality of the product.
